## VISITOR POLICIES

**Sightseeing** takes place solely in the presence of a guide;

**Visiting** the 20 chambers of Tourist Route and 18 chambers of the Cracow Saltworks Museum Wieliczka take approx. 3 hours;

**Tourist** go down into the mine by stairs (380 steps) to the first level (64 m);

**Exit** to the ground takes place by lift in the Daniłowicz Shaft from level III (135 m);

**The temperature** underground is constant at 14° degrees above zero; therefore, whilst visiting the mine in the summer, it is necessary to take thicker clothing;

**There is a complete ban** on smoking in the mine; it is also forbidden to use any open source of light as well as electric torches.

**In exceptional situations** (e.g. mining works or unexpected visits), the organisation of tourist traffic may be changed, and some chambers may be excluded from visiting.
